POINT REYES WHITE CHEDDAR CHEESE

The mildly sharp character of this ultra-creamy, traditional aged cheddar mingles flawlessly with the rich, sherry sweetness of the GlenDronach 12yr. The complementary complexity of both creates an upfront balance of flavor, with a burst of spice on the finish.

ABOUT THE DISTILLERY

Nestled in the valley of Forgue, deep in the East Highland hills, is The GlenDronach, one of the oldest distilleries in Scotland, creating the finest richly sherried single malts for nearly 200 years.

ABOUT THE FARM

A woman-owned, family farm of four generations, located in Northern California overlooking Tomales Bay and Point Reyes National Seashore. Sustainability, the happiness of the cows and their environment is placed above all else, promoting healthy food and a healthy environment for everyone.

CHEESE HAS BEEN PROVIDED BY OUR FRIENDS AT POINT REYES FARMSTEAD CHEESE CO.
